NEWSLETTER OF JULY, AUGUST, & SEPTEMBER 2023

*Message from Chamber Director
Dorothy Carter*

This has been a busy first six months in our new location. We have found such joy and excitement in our new location. We had three Ribbon Cuttings in April: 4/10 The Floating Petal, 4/19 UBTECH Titan Support Center, and 4/22 our wonderful New Roosevelt Library. We also hosted our RBA (Roosevelt Business Alliance) meeting on April 11th where we hosted Lousie Santillanes from Active Re-Entry, Andrew Kraft API

President, and Aaron Brown Roosevelt City Recreation Director as our guest speakers. We also attended the Oil Gas and Mining Collaborative Meeting on 4/13. May found us ever more busy with May 1st Ribbon Cutting for Mystic Cubby, and our very own Open House Ribbon Cutting for our new location on May 24th. We had approximately 100 from our communities that stopped in to have

lunch with us and wish us well. We held our RBA meeting on May 9th with Keith Heaton, Seven County Coalition presenting on what is currently happening with the Coalition. As promised we are bringing in training to help our small businesses. Our first one was 5/17 at our new office called Basic Social Media Training or Social Media 101. This trainer is amazing. Thank you Kyson Snow for your knowledge and your expertise. He works for Uintah Basin Healthcare Marketing Manager, DVS. We had a great group of 16 who attended. At the end of this training they asked that we hold more, so be watching for new training dates yet to come. On May 18th we attended the Vernal Area Chamber of Commerce 74th Annual Meeting and Awards Dinner.

June hasn't slowed down and it keeps us running to keep up with all that our communities are doing. In June we hosted RBA at the New Roosevelt Library and heard from Lori Haslem from GOED who delivered information on some grants and possible programs that will help our businesses in the basin. Lezlee Whiting from Custom Fit presented her program that pays 40% of all training that our businesses have to do and went through how easy it is to be reimbursed for your training. Don't forget to sign up with her the first of July. Cade Kowallis presented on the Chambers new website and

the benefits that as a business owner it will bring to you.

We are very proud and excited about the progress we are making with bringing new goals and forward thinking ideas to the chamber. We want to always be serving our communities and businesses to the best of our ability. If you have any suggestions please feel free to send them to us.
