# NEWSLETTER OF APRIL, MAY & JUNE 2023

*Message from Chamber Director  
Dorothy Carter*

This has been a busy 2023 for Kathy and myself. We were able to move 25 years of Chamber files and set up our exciting new Main Street office in a very short time.

We hosted our first business meeting with Rural Online Initiative in our new building on March 17th hosted by the Eastern Director Jordan Leonard.

It was exciting to find out that our meeting had the highest percentage of attendance of any other district. Since our relocation we have had six Ribbon Cuttings to welcome in our awesome new businesses.

We want to brand our Chamber as Business and Community friendly. So we have all of our promotional items state, "Chamber of Commerce Serving Duchesne County." If you need any type of business training or assistance please reach out and contact either Kathy or myself.

We are going to have an event calendar for three months at a time, so please send us July, August, and September events so that we can have them in our next newsletter. We also have a fantastic young lady named Gwen who keeps our social media up to date with your

information as well as what we are doing in the Chamber and Roosevelt Business Alliance. Please join us and become one of our sponsors. It would be greatly appreciated. We are a nonprofit organization that reaches out to all of our businesses county wide. We also strive to help with promoting and assisting with community events.

You've probably had the opportunity to see or win one of Kathy's basket creations, so don't hesitate to contact her if you have an event coming up.

We are very proud and excited about the progress we are making with bringing new goals and forward thinking ideas to the chamber. We want to always be serving our communities and businesses to the best of our ability. If you have any suggestions please feel free to send them to us.
